The PPBSO makes every effort to ensure competitions are judged as objectively as possible. In assigning available judges potential conflicts of interest are taken into account and wherever possible avoided. It is recognized that this is not always possible due to the size of our judging group and the highly socialized nature of piping and drumming activity. Complete objectivity is the aspiration in assigning judges but note that contests will not be canceled due to the limited availability of judges brought on by stated conflicts of interest.

It is the responsibility of the competitor to be fully aware of all Rules & Regulations. Information on this form is not necessarily complete. Refer to <http://ppbso.org/rules> for specific information.
